

Regency School of Ministry and Missions The class material was written following 20 years of missionary service in Latin America. In the new curriculum, studied and evaluated by over 200 students, there are three ultimate goals behind a re-thinking of the method, and organization of the traditional Bible School format. We practice proficiency in meditation, participation, and manifestation of Biblical Truth. We present the incorruptible, unchangeable, Word of God.

VISION STATEMENT: "From Faith to faith ... From Glory to Glory"

GOALS STATEMENT: "Theology has an expected result ...FAITH IN ACTION"

Regency exists to teach the Word of God around the world, communicating how to live in God's blessing, and how to become the quality leaders in life and community that He has called them to be. All results of study are evaluated for accuracy, organization, and excellence in presentation.

PROGRAMS

Bachelor of Theology

1st Year Foundations

The one year program covers more than 12 mini-courses including the love of God, the reality of the cross, and the results of accepting God's will for our lives, and learning how the scriptures fill our daily need for guidance. Students will learn to receive from God.

2nd Year Establishing Your Heart

This year gives students an understanding of the spiritual results of building faith into daily lives, applying the Word to our words, relationships and ministry. The Holy Spirit in the life of the believer will become essential

strength and power to consider future vocations. There are more than 10 courses, along with individual ministry assignments.

3rd Year *The Anointing, Holiness and Practical Ministry*

Understanding others and sharing the Gospel with those who are motivated to experience a new lifestyle. Missions is presented as well as evangelism in the homeland.

4th Year *Church Order; Gifts of the Spirit, Spheres of Ministry*

The fourth year examines closely Sanctification, Partnership with God and the Church, the Body of Christ. Discussions are open to those who do not want pat answers or conventional strategies to examine study financial needs for ministry, faith for well-developed churches and ministries, youth programs and congregational order.
